WALLMONSTER HIGHLIGHTS

- Adhesive media fabric material that can be easily placed anywhere and then removed and reused as desired
- Adheres to almost any surface (recommended that the surface is clean, dry and free of loose debris)
- NO screws, rails, nails, pins, hooks, strings, tape or glue are required to mount this product
- Even sticks to Stainless Steel (unlike magnets)
- Adhesive backing will not leave a sticky residue against 99% of any surface.
- Unlike its vinyl counterpart, WallMonster will NOT rip, tear or crease but to the touch appears identical to a high quality fabric print.
- It is not vinyl or paper, it is a fabric with patented coating and adhesive that is UV protected and safe for hanging/removing
- Use indoors and outdoors
